

Marius Rademaker BM FRCP(Edin) FRACP FNZDSI DM is an Honorary Associate Professor at Waikato Clinical Campus (Auckland University School of Medicine), research director of Clinical Trial NZ, and a clinical dermatologist. Until recently he was Clinical Director and Head of the Dermatology Department, Waikato Hospital District Health Board and Chairman of DermNetNZ.org Trust.

As well as being Regional Advisor of the Royal College of Physicians of Edinburgh, he is a Fellow of the New Zealand Dermatological Society and member of the International Society of Dermatology, the European Academy of Dermatology and Venereology amongst many other societies. He advises New Zealand government on best value of pharmaceutical drugs and devices.

Prof. Rademaker has over 30 years of experience in medical dermatology. He has published over 200 articles and book chapters, and regularly lectures at international dermatology conferences. He is editor-in-chief of the Australasian Journal of Dermatology.
