

25th WCD 2023
SINGAPORE
AMBASSADOR

Chia-Yu Chu

Professor of Dermatology at National Taiwan University College of Medicine, Taipei, Taiwan and also the President of Taiwanese Dermatological Association (TDA). His main research interests include drug eruptions, urticaria, atopic dermatitis, and autoimmune blistering diseases.

During 2008-2010, he was a Visiting Professor in the University of Paris XII. In the past 15 years, he has been involved in many clinical studies including novel treatments for atopic dermatitis, urticaria, pemphigus and pemphigoid.

As a dermatologist specialized in immunology and allergy, he has published more than 14 book chapters and 190 articles about drug eruption, urticaria, atopic dermatitis, autoimmune blistering diseases, chemokines/cytokines and cancer progression, and contact dermatitis.
