SINGAPORE
AMBASSADOR

Rebecca Penzer-Hick

Rebecca is a registered nurse and Senior Lecturer at the University of Hertfordshire where she lectures on the Masters in Clinical Dermatology Programme - a multi-professional master's degree that has students from the UK and around the world.

She is also a Dermatology Specialist Nurse working in a community Dermatology clinic in the East of England. She is a member of the editorial boards for Dermatological Nursing (the journal of the British Dermatological Nursing Group) and Community Skin Health (the official journal of the International Foundation for Dermatology). Rebecca is the current President of the British Dermatological Nursing Group.
