AMBASSADOR

**George J. Hruza**

Dr. Hruza is adjunct professor of dermatology and otolaryngology at St. Louis University, American Academy of Dermatology (AAD) Immediate Past President and President of the Missouri State Medical Association. He did his residency at New York University, laser surgery fellowship at Harvard and a Mohs surgery fellowship at the University of Wisconsin-Madison. He has trained 21 Mohs surgery fellows.

Dr. Hruza serves on four dermatology journal editorial boards. He has served on the Association of Academic Dermatologic Surgeons, AAD, American College of Mohs Surgery, American Society for Dermatologic Surgery (ASDS) and AAAHC Boards of Directors, and as President of ASDS, American Society for Laser Medicine and Surgery (ASLMS) and the St. Louis Metropolitan Medical Society.

He currently serves on the ASLMS Board of Directors. He has contributed more than 170 publications to the medical literature including four textbooks on laser surgery, is the dermatologic and cosmetic surgery section editor of Bologna's Dermatology textbook and has lectured on laser and dermatologic surgery on five continents.
