

25th WCD 2023
SINGAPORE
AMBASSADOR

Prasad Kumarasinghe

Dr Prasad Kumarasinghe is currently a consultant Dermatologist at Fiona Stanley Hospital and a Clinical Professor in the School of Medicine in Western Australia. Previously he worked as a Senior Consultant at the National Skin Centre in Singapore, and in Sri Lanka. He was a pioneer in establishing the Pigmentary Disorders Subspecialty at the National Skin Centre in Singapore.

Prof Kumarasinghe has published over 100 scientific papers and delivered guest lectures in many parts of the world including the World Congress of Dermatology and International Congress of Dermatology. He edited the popular book on Pigmentary Disorders published in 2018 by Springer. He has also written several chapters in dermatology textbooks.

He was the Founder President of the Asian Society for Pigment Cell Research and the Vitiligo Association of Australia. He is currently a Director of the International Society of Dermatology. He is on the Editorial Boards of the Journal of the American Academy of Dermatology, International Journal of Dermatology and the Australasian Journal of Dermatology. He is the Founder and the current President of the Perth Dermatology Research Collaborative in Western Australia.
